Dear your Honor, How are you I hope that you
 reaches you in good spirit. My name is Nathan
 Bracks. I am 31 yrs old with a high school diploma
 no children. I have 2 sisters one 20 and the other
 16. Your honor back in 2011 I was sentence to serve
 a 9 yr prison sentence and as you may know I was
 picked up in 2013 to get served another indictment
 The offense is the same conduct from the first
 indictment. Judge I know what I did was wrong as
 ever. And that if I had one wish in this world it
 would be to go back to the age of 21 and not
 ever commit another crime in my life. I know people
 write you all the time just trying to get themselves
 out of a situation but in not. The three years that
 I have served was well worth it. I told my mama
 that I might not be where I wanted be. But I can
 look back and know that I am not where I use to
 be. With that being said when I was 18 I got in to
 the strip clubs. things turnt quick I started prostitu-
 ting and doing drugs. And by the age of 21 I thought
 it was no turning back for me. After I got rape
 I stop selling my body. But the drugs continued
 on. And judge like I know that being on drugs
 will cause you to do almost anything. And now
 that im set free by our lord Jesus Christ I am
 able to see that now. When I first got to prison
 in 2011 I played everyone for back to not realize

me up and it seems like the more I pressed for that the colder he was making me up. One morning I started to you he made me up and I said him just as clear as day and he told me. I am always with you and I will surely bring you out of this. In telling you it was the best experience I ever had in my life. Just as I use to sit on my bed in my cell thinking the walls were closing in on me he showed me that the walls were actually getting wider I was able to breathe clearer and clearer each day. But your honor let me tell you it is not easy I battle with myself every single day. Every morning I wake up I ask the lord to lead the way for me because I can't do it by myself. Your honor if not nobody else dare knowed their lesson Sunday I'll be the first to tell you I have and I mean that with all my heart. Your honor I want to be able to still have a chance to get in college, have a family and just do what God wants me to do in life. If only I could have the chance to show people that theirs always a better way. I want to be able to teach my sister's what's right. My family is all I got besides God they never left my side I am all person with a big heart and just made a lot of wrong choices in life. I do take full responsibility for my actions. I am so sorry for the crimes I have committed. Please forgive me Judge

this is the most serious thing in the world to me.

But I guess you'll never know how strong you are until being strong is your only option. It's not a day that goes by that I don't cry. I really can't see how could I have so many tears left when I have cried the last 3 yrs of my life. Romans: 5 is one of my favorites in the bible it helps me get ^{through} all of my days. Because hope is all I have and what I'm holding on to. You honor please take the time to go over my case and let God lead the way.

Because he says he is the beginning and the end. A lot of people seems to think that prison doesn't rehabilitate people. Well I beg to differ. Since my incarceration I have seen more crime done than I ever seen before. And I know I dare change because I was able to walk away from all of it. I

haven't been in any trouble since my incarceration.

So again your honor please take my case into consideration. May God Bless you now and forever. ~~Yours truly~~ of. Brando
